Hi Yangtian,

Thank you for your recent application to the Label Studio Academic Program. We're writing to inform you that your application has been approved, but we need you to take additional action in order to set up your account.

As a next step, please sign up for the [Label Studio Enterprise Free Trial](#). The free trial will give you two weeks of access to the platform. **After signing up, please respond to this email (academic@humansignal.com) with the address you enrolled with so we can activate your full academic access.**

Additionally, we invite you to join our [community Slack channel](#). This channel is a great place to connect with other Academic Program participants and ask any questions about the Label Studio platform.

We are excited to have you onboard and look forward to hearing more about your work with Label Studio.

Best regards,
The HumanSignal team
